## 2010 Miss BATON ROUGE PHOTO AND VIDEO ORDER FORM

Note: This year I am shooting both video and still photos of the pageant. Both the video and the images of YOU COMPETING are included in the \$55 price. This allows me to provide you with more complete coverage of the most important contestant while conserving disc space. Of course a few of the select images of all the other contestants will be there, too.

Please include \$5 to cover shipping and handling (sales tax IS included). Video will be of the pageant only, photos will include some behind-the-scenes activities and headshots in your interview attire assuming we find time to shoot them. It will take me 3-4 weeks to complete production.

Photos will be 10-12mp in size, with a copyright release for Personal (non-commercial) Use. These are easily large enough for printing up to around 20x30"

I will be posting a select few photos of the event to my Facebook business page, as well as to my blog. Don't worry, I'll only publish the ones that make you look good and will not put swimwear photos up in these places. You can if you'd like to. I will post ALL of the images to a "private" gallery for 90 days for prints and individual downloads from my pro lab.

I'm also extending my portrait session offer this year. Half off of your session fee (currently published rates are \$300 with a \$150 print credit included) for all contestants. That means I do a shoot for \$150 and you get the \$150 print credit. On location within 40 miles of my house...
